~~6~~ Resolved. That in view of the blessing attending thus far Conventions, held in the interest of Home Missions, ~~xxxx~~ arrangements be made if possible that such Conventions be held the coming fall in as many Synods of Indiana, Wisconsin Nebraska, New York and elsewhere as desired.

That to this end correspondence be had conference with the Committees on Home Missions in the respective Synods, requesting them to take the direction of these conventions in co-operation with the Woman's Synodical Comtee in the same Synod.

Resolutions adopted — May. 26/83

2) Resolved. That Synodical Societies and others be requested to forward money in their treasuries to Mrs. M.E. Boyd, Treasurer of the Woman's Ex. Com. & Home Missions at least every 3 months.

3) Resolved. To ask the Board of Home Missions whether in case of need, money can be borrowed to meet the regular expenses of the Woman's Ex. Com. — particularly such as those connected with the salaries of the teachers, which should be paid quarterly while yet money from Societies sometimes comes in slowly until near the close of the financial year.

1)

Resolved. That in every Synod some special Mission field shall be adopted upon which to Concentrate interest + contributions; — and that Societies be trained to give to this leading object as a whole, without asking for special objects included in it.

Carried nemine

2

Resolved.— That the above arraigement shall not interfere with appropriation of money by local societies to objects to which they are particularly attracted through habit or personal interest.

Res^d That Activities and Friendly be encouraged to give to the Gen^l Fund of the W^m Exc- Com^tee upon which so many calls & various kinds are constantly made—

Resolved -

1st - That Dr Jackson and other representatives of the Board be informed that hereafter the Board will not recognize any expenditure in excess of the appropriation -

2nd - That it be requested of the Woman's Executive [illegible] that they as soon as convenient will submit obligations connected with this school and other work, arranging to secure the entire support of all the Home Mission work among the Mexican population -

3rd - That the members of the Woman's Executive Committee be requested to submit all plans for new work to the officers of the Board for their approval before undertaking to raise money to carry out the same -
